## EDUCATIONAL DETAILS

### Dayanand Academy of Management Studies

Bachelor of Computer Applications

Cumulative GPA: 6.95

August 2022 – May 2025

Kanpur, Uttar Pradesh, India

### B.N.S.D Inter College

Intermediate

Percentage: 60.8%

April 2018 – March 2020

Kanpur, Uttar Pradesh, India

### St. Francis Xavier's Inter College

Intermediate

Percentage: 68.0%

April 2016 – May 2018

Kanpur, Uttar Pradesh, India

## EXPERIENCE

### AI & ML Intern | Edunet Foundation (in collaboration with AICTE & IBM SkillsBuild) Jan 2026 – Feb 2026

- Completed a 6-week internship on Artificial Intelligence & Machine Learning, gaining hands-on experience with core AI/ML concepts and tools.
- Worked on real-world AI/ML projects, applying supervised and unsupervised learning techniques using Python and relevant libraries

## PROJECTS

### Flipkart Clone | MongoDB, Express.js, React.js, Node.js

- Implemented user authentication, product listing, cart functionality, and order management with secure APIs and role-based access.
- Integrated payment gateway (RazorPay/Stripe) and real-time product filtering, search, and sorting features for a smooth user experience.
- Designed a responsive UI using React, Redux Toolkit, Material UI and Tailwind CSS, ensuring seamless interaction across devices.

### Blood Bank Management System | MongoDB, Express.js, React.js, Node.js

- Implemented secure authentication (JWT), role-based access, and real-time blood request handling.
- Integrated RESTful APIs for seamless communication between donors, recipients, and administrators.
- Designed an interactive dashboard for tracking blood availability and donation history.

## TECHNICAL SKILLS

- |              |              |              |
|--------------|--------------|--------------|
| • C++        | • Python     | • MySQL      |
| • HTML & CSS | • MERN Stack | • JavaScript |

## SOFT SKILLS

- |                |             |                   |
|----------------|-------------|-------------------|
| • Organized    | • Teamwork  | • Fast Learner    |
| • Adaptability | • Motivated | • Time Management |

## CERTICATIONS

- Completed the course of **MERN Stack Development** of 40 days by SKDeft Technologies.
- Completed the Certification course of **Python** by SKDeft Technologies.
